Enjoy a 30 minute clinic with me as I will talk about a proven way to get a handle on how to play the game of golf. Golf can be tough to master and we'll talk about the two reasons why. I will also demonstrate some of my favourite trick shots and also explain how they improve your game if you dare to try them!

Note: Driving range has a covered area so bad weather is not a factor. This is mainly a speaking clinic but there will be a few balls to hit after. I am looking forward to connecting with some of my previous students, friends and even other pros. Clinic is FREE but please RSVP if you are coming -- 250-802-3650.

Rob Boyle joined the CPGA in 1984. He has worked at numerous golf clubs in BC such as Quilchena Golf Club, Rossland Trail Golf Club and Nanaimo Golf Club. Rob also was a head teaching pro at three busy driving ranges in the Lower Mainland.
